**RE: Confirmation insurance cover Tasman Insurance for YFU students**

Dear sir, madam,

We herewith confirm that all students from YFU in the Netherlands are insured at the Allianz Global Assistance Insurance company through Tasman Verzekeringen with a Tasman Insurance policy during their stay abroad for participation in the High School Program.

The insurance always starts on the day of departure from the Netherlands and ends two days after the date of return to the Netherlands. The insurance has **worldwide cover** and covers:

- S.O.S. Emergency Assistance (medical evacuation and repatriation of remains up to cost price, costs for search and rescue up to cost price);
- Luggage;
- Medical costs up to cost price (in addition to the Dutch health insurance) with a one-time excess of € 75 for the entire period of the insurance;
- Accidents (max. € 25.000 in case of death, max. € 75.000 in case of permanent disability);
- Legal Assistance (up to € 50.000 per occurrence);
- Liability (up to € 1.000.000 per occurrence).

(Special/ winter) sports are also covered in case of medical costs and accidents, however for accidents the maximum covered amounts are restricted to € 6.000 in case of death and € 25.000 in case of permanent disability). **Rugby and martial arts are excluded from cover.**

In case of emergency or high medical costs the student should always contact the Tasman Emergency Service on +31-20-592 91 87 (24 hours a day).

We hope to have informed you sufficiently, but please contact us if you have any questions.

Kind regards,

Tasman Verzekeringen
